

School Safe and Accepting Schools Plan

St. Basil School

2023-2027

Priority Area	Goals	Key Activities	Indicators of Progress
<p>BELONGING</p>	<p>Incorporate principles of equity and inclusive education into all aspects of school policies, programs, procedures, and practices.</p>	<p>Promote activities that recognize and celebrate differences and unique talents of students.</p> <p>Develop a school culture that authentically reflects the diversity of all community members.</p> <p>Ensure that principles of equity and inclusive education permeate School Improvement Plans.</p>	<p>Safe school policies and procedures are applied consistently, fairly and with a bias-aware lens.</p> <p>There are obvious and visible representations of the diversity of students and staff in the classroom curriculum and greater school curriculum.</p> <p>Examine and remove any barriers that exist that prevent successful access to the curriculum and full participation in the school community.</p> <p>Schools continue to review best practices in applying progressive discipline fairly and consistently.</p>
<p>TEACHING AND LEARNING</p>	<p>Promote and provide resources/materials necessary to be sure ALL students feel welcome, accepted, and experience a sense of belonging to the school community.</p>	<p>Continue to promote and provide resources for use in classrooms to promote safe, inclusive, and caring learning environments (i.e., Indigenous Education resources, Supporting Minds document, Special Education resources, Self Reg, Trauma informed etc.).</p> <p>Promote and recognize student leadership in building positive relationships and inclusion.</p>	<p>Schools will audit current resources and ensure appropriate evidence-based resources are available to staff.</p> <p>Students will demonstrate enhanced knowledge about mental health, coping strategies, resilience and know how to access support for themselves and their peers.</p>
